TAREK ABBAR

Tarek Abbar è un artista e art director, al momento vive in Giappone. I suoi lavori sono principalmente disegni su carta e sono caratterizzati da linee grafiche, tratti precisi e dettagli microscopici oltre ad una certa impronta nipponica. Attraverso le sue opere racconta storie complesse con personaggi quasi surreali che abitano città impossibili con strutture dettagliate, a un primo sguardo futuristiche. In questo mondo immaginifico, però, trapela sempre una forte traccia del presente con le sue possibili declinazioni, siano esse personali o collettive.
